

# CERTIFICATE

Capalonga Élelmiszer Minőségbiztosítási Tanácsadó és Szolgáltató Betéti Társaság (registration number: Cg. 13-06-042632/7-III.) hereby certifies that

## BioTechUSA Laboratory

### Food and Food Supplement Production Plant

- 2111 Szada Ipari park út 10. - has introduced an

## HACCP

quality assurance system and has been operating it continuously since 01 November 2014.

The production in the above plant conforms to the requirements set forth in regulation No 178/2002/EC of the EUROPEAN PARLIAMENT and of the COUNCIL laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety, in regulation 852/2004/EC on the hygiene of foodstuffs and in the HACCP regulation number MÉ 2-1/1969.

The operation of the employed HACCP quality assurance system is regulated on an appropriate level, critical points are controlled, the daily use of the system contributes to the full compliance with food safety regulations and to providing consumers with safe products.

The training provided to the employees involved with the production and distribution of food is regular and it complies with the corresponding legal requirements.

Dated: Szada, this 09.03.2015.
